"ALL IS NOT WELL."

There is stealing into the brains even of Radical Massachusetts persons, says the Montgomery *Advertiser*, a conviction that the creatures who run the Radical party of the South are bound to sink the whole concern to Tophet, if not checked some way. We read such extracts as the following with great satisfaction. As the "better men," to whom the writer refers have pretty much all been kicked out of the party, we don't exactly see how any change is possible. This sorrowing parson writes to the Boston *Watchman and Reflector*, a politico religious newspaper:

There will be found to have been no little baseness among men in high places in the Republican party in the South, and if there is no reform, this administration will be succeeded by a Democratic. Men North and South love power. I would not utter a prophecy of evil, for the country, and certainly am no croaker. But I think I see this among the inevitable, if no radical change takes place. There begins to be some suspicion that all is not well. Several days since we said to a prominent Senator from the North, "Unless better men are put in place at the South, the days of the rule of the Republicans in that region are few." He responded, "I know it, sir, I know it."—

The Paris correspondent of the Newark *Journal*, is responsible for this story:

"Revenge is sweet, especially in woman. The French authorities decided upon sending one of the queens of the *demi monde* to the Belgian frontier. She claimed to be a Pole, and boasted of a terrible Russian name and was the cause of many duels and the ruin of several scions of the aristocracy, who are now doing penance in the Papal Z naves. One of her admirers was a distinguished military officer holding at present a very high position. He was asked by the syren for a souvenir: Diamonds, laces, horses were offered. No, these she had in profusion. His photograph was demanded, but peculiarly—one copy only to be struck off. Soulouque's cavalry went into action with only p per collars and spurs for regimentals, and in some of the native infantry in the isles of Oceanica, there is not more than a pair of gloves to compose the kit of a whole company. Brief, the officer in question was taken *in puris naturalibus*. Aspasia sent copies of it to the clubs, and thus wreaked her vengeance, because her foolish admirer expressed himself favorably of her rival."

A HEAVY "COLUMBIAD" IN THE SENATE. In the Senate of the United States on Wednesday,

Mr. Vickers presented a memorial from the Colored Historical and Philosophical Society, of Richmond, Va., which he asked should be read.

The memorial set forth that Columbus was a great man, gave many particulars of his birth, life and voyage, stated that he had been robbed of the glory of his discovery by Americus Vespucius, [Laughter.]

At this point Mr. Pomeroy suggested that the reading be stopped.

Several Senators wanted to know what the memorial wanted.

Mr. Vickers explained that the document was quite a historical contribution, and that its object was to have the name of the country changed from America to Columbia.—[Laughter.]

Mr. Conkling suggested that it be referred to the Committee on Education and Labor.

It was finally laid upon the table.

THE CAMPAIGN OPENED!—RADICALS TO THE FRONT!—The following rich proclamation has been issued by the Grand Mogul of the Radicals in the upper portion of the county. The author is said to be the Chairman of the Board of Trustees in the township of which "Sharpe's Store" is a component part. It is given *verbatim et literatim*.

A telegraph operator in Florida, who is placed in charge of an office in the interior of the State, where there is no local business, receives about ten dollars a week and finds his own food and clothing. The telegraph company give him a house to live in, and land on which he can raise produce. It might seem that a telegraph operator, getting only such a small sum each week, could save but little money and never would become rich. But such is not the case. The operators deal in cattle and hides and shave notes, and are becoming wealthy. They are about thirty miles apart, off the lines of the railroads. When a break in the line occurs, they mount fleet horses, with which they are provided, and ride toward each other until they find and mend it.

JOHN PECCARY VEST, has laid out $20 of his *per diem* for a license to practice law. All ye litigants that have cases on hand which require great erudition, legal learning, assisted by immense natural talent, wake up. John Peccary will make as good a lawyer as he did a legislator, and at half the price. We understand that he has rented one of Judge Blackburn's store rooms (kitchen or smoke house) in the Court House for the present. As the Judge's extra rooms have not yet been fitted up, owing to the negligence of the County Commissioners, we suppose this arrangement is only temporary. *Western Sentinel*

"You say Mrs. Jones, that you have lived with the defendant for eight years.—Does the court understand from that, you are married to him?"

"In course."

"Have you a marriage certificate?"

"Yes, your honor, three on 'em—two gals and a boy."

An old lady, receiving a letter she supposed was from one of her absent sons, requested a neighbor to read it. He accordingly began to read: "Dear mother," then pausing, as the writing was rather illegible. "It's from Johnny," exclaimed the old lady; "he always stuttered."

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, APRIL 11, 1870.

ORGANIZE! ORGANIZE!!

The general favor with which the address of the Conservative members of the General Assembly has been received, is highly gratifying, and argues well for the future of the State. The good temper of the address and the principles enunciated, meet with the hearty endorsement of Democrats and Conservative men everywhere, who are disgusted with the imbecile and corrupt administration of affairs by the Radical party in North Carolina, and will form the basis upon which every man opposed to Radicalism, will rally, to overturn at the ballot box, the last vestige of Radical misrule.

But to do this effectively, requires prompt and thorough organization in *every* township, county and District in the State. At the earliest day, the people, white and colored, tired and disgusted with the faithlessness, corruption and ignorance of Radicalism which has cursed the State and brought her to the very precipice of ruin,—every man who truly loves the State, should assemble in primary meetings in every township and express themselves emphatically and strongly against the conduct of affairs by the party in power, should appoint a strong Executive Committee—active working men, who will see every voter in the township, talk with them, give them proper counsel and furnish them with suitable reading matter and see that every man goes to the polls. At the same time delegates should be appointed to meet others from every township at the county seat in every county, to select the most suitable candidates for county officers and for the General Assembly, to appoint delegates to the District Conventions to nominate candidates for Congress, and to appoint an Executive Committee for every county.

Be sure in selecting your candidates, to choose the best men—above all honest, capable and true men. This is no time to select doubtful or unreliable men. Personal considerations should have no weight in the selection. Remember the State is to be rescued from ruin, and every personal or selfish or merely partizan consideration must be sacrificed for the good of the State. Therefore, let them be men that you can *trust*.

Lastly, we are all poor, but every county should raise what it can spare for that object, and send it to the Chairman of the Central Committee here, to be expended in printing and circulating documents and papers among the people. But especially enlist every man capable of making a speech for the cause of truth in every county and bring them out to work for the State. The masses must be reached by personal appeal and by speeches on the stump. Remember the State expects every man to do his duty.

"IN THE END, ONLY WHAT IS HONEST IS USEFUL."

We fear that some of our Judiciary have never appreciated the force or seen the beauty of this antique maxim. If they had, Tourgee would never have written that letter to the *Standard*, crowing that the Grand Jury of Orange had presented himself and others. Nor would he have made that speech in Philadelphia, in which he declared a respectable Quaker of Guilford had seen fifteen bodies of freedmen pulled up out of one mill pond, where they had been thrown by the rebels after murdering them.

If this old maxim had duly impressed our Judiciary, Judge Watts would not have dismissed the Grand Jury of Wake, on Thursday of the term, immediately after they had presented Littlefield for using bribery and corruption on the Legislature. Nor would the same Judge ever have been caught with $5,000 of bonds belonging to the defendant in a suit which had just been tried before him. And further, the same Judge would never have been seen walking the streets of Smithfield with a horse thief in apparent familiar conversation, after having practically expressed a horror of his crime by binding him in $5,000 bail, but which he afterwards mercifully reduced to $1,000.

We are led to these reflections by the fact that Wake Superior Court will be in session here this week, Judge Watts presiding.

We take occasion to say that Solicitor Cox is in a situation to develope and expose more of the conspiracies, frauds, cheats and scoundrelisms which have been going on in this city, under Holden's administration, than any other man in the State. Heretofore his advantages for this work have been limited, but now, with the recent developements before him, he has an ample field for operations. If he will draw bills and call witnesses, he can make startling disclosures.

Gen. Cox never shrank from duty in a fight, and he will not shrink now.

The *People's Press* (Salem) comments as follows upon the Conservative Address:

Last week we published the Address issued by the Conservative members of the Legislature. The address has met the approval of every anti-Radical paper in the State, and the Radical journals do not find anything in it to condemn. Whatever differences may have existed among the Conservative papers, the address seems to have reconciled them. All the opposition to Radicalism can stand on the broad platform of principles laid down, without sacrificing principle or feeling. It is the very thing to harmonize all the elements of opposition into one grand phalanx of determined people. It is the platform for the campaign.

INDEPENDENT CANDIDATES.

At a time like the present, there are to be found men who are so patriotic, so free from party bias, so devoted to the interests of the people, that they are unwilling to be nominated by a party meeting for any office. They want to throw out a big drag net to catch all kinds of fish. They want a wide berth, to run with the bare and hold with the hound. "*You* know I am all right, but I am going a fishing." Don't trust such a man at the present time. Every candidate for office, for any office, should show his hand. Do not vote for any *independent* candidate. Force every man to submit to the county nominations of his fellow citizens, and to sail under his true colors. We want no men who are "neither fish, flesh nor good red herring." If the people want candidates let them bring them out in general county meeting. Let every independent candidate be snubbed and sent home to dig potatoes. Such men at a time like this, are only fit to serve Holden or the Ring. Holden's long carpet bag reign in North Carolina has been sufficient to draw the line of demarkation between the oppressors and the oppressed; between the plunderers and the plundered.

Let the third party men and all moderate Independent candidates be suspected by the people, and classed with Clingman, Holden, Littlefield, Ladia, Dewesse, Kehe, Judge Watts and Dr. Sloan.

THE THIEF AND THE JUDGE.

Charles H. Snead, a Holdenite, and Justice of the Peace for Johnston County, and actually commissioned by the Governor when he was in prison, was arrested for horse stealing and tried before his nephew J. D. Massey, another Holdenite, who required only 500 dollars bail. Uncle Charles, not being able to give it, Massey reduced it to $300 and Uncle Charles went at large.

But he was rearrested and brought before Judge Watts, who required bail to the sum of $5,000. Snead, not being able to give this bail was committed to Wake county jail.

Last week, at Johnston Court, when the case of Snead was called, it was continued by defendant. Judge Watts required bail again in the sum of $5 000. Snead could not give it. The Judge relented and fell to $3,000; he could not give that, and again the Judge relented and fell to $1,000.

J. B. Alford, a colored man, went Snead's bail, for the $1,000; Court adjourned and the horse thief and the Judge were seen in familiar conversation on the Court green, from which they adjourned into a grog shop and "smiled" at each other.—"*Fiat justicia ruat cœlum.*"

THE CONSERVATIVE PLATFORM.

This morning we publish an "Address to the People of North Carolina," prepared by the Conservative members in the late Legislature, previous to adjournment. It is an able document and should be carefully perused by all who realize the true condition of the State, and desire to improve it.

Had the emergency been less critical and extraordinary; or had the "Address" fallen short of the demands of the hour, we might have objected to the summary manner with which the question of a Conservative State Convention is laid on the table. A Convention might or might not have been more effective in completing the organization of the party; but respecting this we have nothing to say now, since we are satisfied to accept the Address as our platform in the coming campaign, and so far as we can learn, the people and the press likewise heartily endorse it.

Its tone is moderate and dispassionate; its reasoning, logical; its statements convincing; and its appeals such as should awake the slumbering echoes of patriotism in the hearts of every misguided citizen of the State who has heretofore voted the Radical ticket.

We approve of those declarations of the "Address" which dispose of the dead issues of the past. Secession, slavery, suffrage, &c., should no longer disturb the public mind. They are dead issues and should be buried in the tomb of the Capulets.

The living issue is, shall honest and competent men control our State or shall dishonest and incompetent men continue longer to degrade and oppress her. There need be nothing more in our platform—this embodies all. Remove the present rulers from office, restore the judiciary and judicial system to its ancient purity and effectiveness; purge the State of swindlers and political charlatans, and confide the administration of public affairs to worthy men, and all will go well with the commonwealth.

Men of North Carolina will you any longer permit such unscrupulous villains as Holden, and his satellites, to deceive, and plunder you? Have you not long ago realized how terribly you have been betrayed and oppressed? Has not your country been brought to the verge of ruin by the Radical "Rings," the Radical Governor, the Radical Legislature, the Radical Judges, the Radical officers of all grades? Will you again vote to keep these men in office? By all that is sacred—by every principle of justice—we abjure you, men of North Carolina to wipe the stain of Radicalism from the fair fame of our once proud old State, and point her to the goal of Peace, Prosperity and Renown.

AN EDITORIAL APOLOGY.—The White Pine, Nevada, Daily *News*, of the 14th of March, opens with the following apology to readers:

APOLOGETIC.—At the present writing we are in the midst of the most terrific storm we ever experienced anywhere. The atmosphere is not intensely cold, but it curls about with a rapidity, variety and industry not at all charming. The tin roof of the office has gone off entire, and all hands are at work without shelter. The gale is so terrific that repairs cannot be made, and we are compelled to freeze it out, praying for an early subsidence of the storm. Under the circumstances, it is necessary to crave the indulgence of our friends with the deficiencies in this issue of the *Daily News*. Every man is in his place—all industriously working in the cold—laboring to bring out some sort of publication to keep up the proper daily appearance.

A New Jersey lover has brought suit to ex-recover his love letters. It opens up a curious question in law as to whether the ownership of a letter resides with its writer or its recipient. Meantime, as possession is nine points of the law, the damsel has much the best of it, and the only way for the repentant spoon to "get even" is to write her a second series, solemnly revoking the tender breatings of the first.

WHAT OTHERS SAY OF US.

The "Nation," a paper published in New York, Republican in politics, though moderate and high toned in its articles, takes the following view of the State of affairs in North Carolina, in its issue of the 31st of March. One would judge, from the truthfulness of the picture, that the artist is no second rate hand at his work, and we might almost imagine that he had been here among us familiarizing himself with the facts in regard to the subject on which he is writing. The *Nation* says:

"In North Carolina, also, the State Government is in a bad way, and its financial policy, to speak euphemistically of what seems to have been mere thieving, has been particularly unfortunate. What Governor Holden is most of our readers know. He is a small, astute politician, with a capacity for turning his coat when that performance can conduce to his comfort; and, though North Carolinians are neither the acutest nor the most suspicious people in the world, Mr. Holden was sufficiently found out, some years ago, to make it certain that, but for the advent of the negro voter, he would now be editing a feeble partisan paper, as he did before and during the war, or be engaged in some similar occupation. The Raleigh *Standard* used to be his paper; but when, after the war, he succeeded Jonathan Worth as Governor, he sold his interest in it to a man called Littlefield, who was hand-in glove with a "member of the third house," called Swepson, and with these was joined a person by the name of Hawkins. Soon $16,000 000 in State bonds were issued by the Legislature and Governor—bonds to be used in furtherance of certain railroad projects. About $1,500,000 worth of these bonds, it is said, have been satisfactorily accounted for; but as to the rest, that their disposition is a matter open to suspicion, to say the least, has been made so plain—to say nothing of Mr. Swepson's having fled the State—by the investigations of the Legislature now sitting, that an act has been passed with these provisions: "All acts framed at the last session, making appropriations for railroad schemes, are repealed; all bonds of the State issued in pursuance of these acts are ordered to be at once restored to the State Treasury; all moneys levied and collected under the railroad acts are to be credited to the counties of the State, and to be deducted from the amount of the county tax for the current year." It will be a matter of some interest to watch the future political career of Governor Holden. The average white North Carolinian is an honest and fairly intelligent man, and, though not very literate, events of the magnitude of these "irregularities" may be presumed to be now known to him. Nor do we imagine that the Governor will find salvation at the hands of the negroes, through, to be sure, he has opportunely done some proclaiming of martial law."

We take the following from the N. Y. *Herald's* correspondent in regard to the charges made against Gen. Howard by Mr. Wood of N. Y., under date of April 6th.

"The sensation in the House to-day was the presentation of charges against General O. O. Howard by Fernando Wood, of New York. The charges are of a serious character, implicating General Howard in perverting the public funds of the Freedmen's Bureau to his own use for the erection of the Howard University. General Butler intimated that if the charges should prove, on investigation, to be groundless the House would have power to deal with Mr Wood; whereupon Mr. wood retorted that he presented them on his own personal responsibility, and he proposed that after the House got through investigating General Howard they should investigate the gentleman from Mass chusetts. Butler, amid the laughter which followed this, lay from Wood, shouted "You may investigate me as much as you please, sir!" An effort was made to have the charges referred to the Committee on Freedmen's Affairs, but inasmuch as there was no democrat on that committee the motion was opposed by the democratic side of the House on the ground that the republicans might make a whitewashing report if there was not some democrat close by to watch them. It was finally agreed to refer the charges to the Committee on Education and Labor for investigation. There is one democrat on that committee, Thompson W. McNeely, of Illinois, and since the president republican, Anthony, R. C. Rogers, of Arkansas, who, according to Sunset Cox, is as good as any democrat. Howard's friends allege that there is no truth in the charges preferred by Mr. Wood, but the investigation, if it is fairly conducted, will bring out the facts."

ALL QUIET IN JONES.

A gentleman writing us from Jones county last week on business, adds the following P. S. to his letter:

"All is peace and quiet here notwithstanding the New York *Herald's* correspondent to the contrary. I see Senator Scott and Representative McMillan and Thompson have defended their consules and rebuked the foul and wicked slanders charged upon them by some scribbler, for the press, and for unworthy motives has sought to injure a people to whom he is a stranger. Jones and Lenoir had no friend representing them to rebuke their slanders as did Onslow and Duplin. Not even Detective Wilkie, who has been paid thousands as detective and member, out of the State Treasury, opens his lips to defend us, and the Senator for Jones and Lenoir is dumb as an oyster.

The Auditor's report show they were not indifferent to pocket interest on other and different occasions. When we are again maligned and assailed unjustly, we hope some friendly voice will be heard in our defence in vain may we look for any defence from persons representing carpet-baggers, negroes, scalawags, &c. The Chairman of the Board of County Commissioners, late of Massachusetts, has abdicated and returned to his native home. "One by one," "one by one." Though a Yankee he was respected by the citizens acquainted with him."

PARTICEPS CRIMINIS.—That Gov. Holden and one Swepson have conspired to swindle the State, is now the general impression among the honest men of North Carolina. Else why did not the Governor issue a reward for the absconding scoundrel when he fled from Raleigh? Else why does he not make a requisition for this person, now that it is known where he is?

Swepson has been in Baltimore for weeks, offering (we are told) to *compromise* it a Committee will meet him for the purpose. *Compromise!* Think of a defaulter—a thief, offering to compromise with the owner of the property he had stolen!—Would not such an offence be answered by a Committee of Policemen?

But Holden is a tender hearted man and does not wish to wound the sensitive nerves of his friend Swepson. Of course not. The firm of Swepson, Littlefield, Holden & Co., are congenial partners—no quarrelling—no differences—no criminations—equal division of three millions, fair profits—lots of fun at the public expense, &c., &c. Lo! the fruits of Radicalism!—*N. C. Citizen.*

For the Sentinel.

"REPUBLICAN MASS MEETING.

A Republican Mass Meeting will be held in the town of Lexington, on the 3d of April, for the purpose of appointing delegates to attend the State Convention in Raleigh, on the 11th of May, 1870. All Republicans are earnestly invited to attend.

A free ride will be given on the Railroad to delegates. Come one, come all! and make one grand rally on the 23 day of April, 1870.

REPUBLICANS
of Davidson Co., N. C."

Hon. Josiah Turner, Jr.:

DEAR SIR—Please publish the above notice of a grand Republican mass meeting that was to be held in Lexington, Davidson county, April 2nd, 1870, but which *didn't* hold very sucely, from the simple fact that nobody came to attend it.—Now, a few words as to the meeting that was to have been; the Railroad trains on Friday night preceding the meeting brought in our man of Contingencies, Auditor Adams, and also, the man that didn't steal Kittrell's law books nor Darr's pony, W. F. Henderson. These two men seem to think they have the world in a sling, and especially, do they claim to rule Davidson county and the North Carolina Railroad, as they promise all delegates a free ride to Raleigh. Such, unfortunately, has been the case, but the people of this county are not fools, if the most of them have been Radicals; they have had enough of such leaders as Holden, Adams, Henderson and Kinney, and say now that they are surprised at themselves for ever voting for them.

The disappointment of Henderson and Adams at the non-attendance of the colored voters on Saturday last was distressing, and they do say that, if possible, the Auditor chewed his tobacco faster than ever he was known to do before, which must have been laborious in the extreme. Notwithstanding the flaming notice at the head of this article, Saturday was a dull day in Lexington. To show you what a change has taken place, heretofore when Adams and Henderson issued their orders for a mass meeting, early in the morning our streets were crowded with colored voters, but alas! contrary to the expectations of merchants, confectioners, cake bakers, bar rooms etc, nobody came Saturday, not even for the free ride to Raleigh which was promised them. Men who voted the Radical ticket before are openly denouncing the party as a failure, especially Holden, Adams, Henderson, & Co., as leaders. When they found they could not get a crowd they proclaimed that the meeting was postponed until Tuesday of May Court, when Cloud, Joyce, and other men of note would address the refractory people of the county, and it is presumed they will renew their promises to the negroes of a mule, and if that don't do they will threaten them with going back into slavery. Look out for a rich time in the "contingency" and mule county, as I believe there is still some good "even in *Nazareth*," and I think it will be brought out. Could'nt you prevail upon Billy Smith to blow his horn and allow Conservative delegates to pass to Raleigh on half fare tickets? They would take it as quite a favor.

As Radicalism has run its race in Davidson (and we hope in the State also,) the funeral being so thinly attended on Saturday last, and through respect for the deceased, I would suggest the following obituary:

DIED.

In Lexington, Davidson county, N. C. Saturday April 2nd, 1870, the child, Radicalism. Radicalism was a mere youth, never gave much promise. Strange to say, always had an inclination to steal something, never was satisfied except in company with negroes and carpet baggers, always avoided the company of good white children. His last moments were spent in convulsions, calling in vain upon the negroes and loyal people of Davidson, who, it seems, had deserted him as Holden, Henderson, Adams, &c., did the child Confederacy in its last moments of suffering.

When Radicals and carpet baggers in the other world the most,
The goodness of their Governor's and Legislators to repent,
It will be a scene that will make satan yell,
As he will be declared a rebel and traitor and driven out of hell.

SHOO FLY.

Lexington April 8, 1870.

One of the ladies on the late jury in Wyoming writes that "she felt no serious discomfort from being shut up for four days, and would have held out four months rather than be convinced by such an argument as that made by the counsel for the defence."

OFFICE PEN. COMMISSION,

RALEIGH, N. C., Feb. 21, 1870.

SEALED Proposals will be received by the Commissioners of the North Carolina Penitentiary at their office, Raleigh, N. C., until noon of Wednesday the 20th of April, 1870, for the erection of the Penitentiary on the site chosen for that purpose near the city of Raleigh. Bids to be endorsed "Proposals for Building the Penitentiary," and addressed to the care of G. Wm. Welker, Sec. to the Commission. The plan, drawings and specifications may be seen and inspected, and additional information if desired obtained at the office of the Assistant Architect at Raleigh, N. C., or of L. T. Benfield, Esq., Architect, Cleveland, Ohio. Bids to be made in the forms prescribed by the Architect, printed copies of which and of specifications may be procured on application to the Architect or Assistant Architect. Bids are invited for the following separate divisions of the work, viz:

1. Stone Masonry and Cut Stone.
2. Brick Work.
3. Plastering.
4. Wrought and Cast Iron Work,
5. Carpenter and Joiner's Work.
6. Painting and Glazing.
7. Galvanized Iron Work and Slating.
8. Plumbing and Gas Fitting.

The Quarry is quite near the site of the building. The stone are good and the Commission have the lease of the entire quarry for all purposes of the Penitentiary. The Commission will receive bids for the Brick work both to lay the brick, they furnishing the brick, or for the entire job of brick work, the contractor taking four millions of brick already provided by the Commission, at the price paid for them.

Each bidder shall specify what number of convicts he will engage to employ on his contract, and what wages he will pay for them provided the Commissioners furnish guard and overseer, and board and clothe the convicts.

Each bid to be accompanied with a written guarantee signed by two responsible sureties, and duly stamped. The Commissioners reserve the right to reject any or all bids, to accept or decline to close a contract, as in their discretion they may deem it their duty to do.

All the work to be forwarded as rapidly as practicable, and completed at the earliest possible period. The Commission reserve the privilege of taking possession of the several parts of the building, from time to time, as soon as in their judgment it can be occupied.

Each bidder will furnish his post office address and hold himself in readiness, with bonds and sureties, to enter promptly into contract on the acceptance of his bid. Copies of the specifications can be had of the Assistant Architect by mailing $5, which sum will be returned when the specifications are returned. Proportional payments on monthly estimates will be made as the work progresses, retaining ten per cent. until the contract is completed.

UNPREGEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION
Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Places it unquestionably far in advance of any other similar machine.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. Tompkins' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

W. SHELBURN,
ap 5 daw4wim Agent.

WANTED—AGENTS—$75 to $200 per month, everywhere, male and female, to introduce the GENUINE IMPROVED COMMONSENSE FAMILY SEWING MACHINE. This Machine will stitch, hem, fell, tuck, quilt, cord, bind braid and embroider in a most superior manner. Price only $15. Fully warranted for five years. We will pay $1000 for any machine that will sew a stronger, more beautiful, or more elastic seam than ours. It makes the "Elastic Lock Stitch." Every second stitch can be cut, and still the cloth cannot be pulled apart without tearing it. We pay Agents from $75 to $200 per month and expenses, or a commission from which twice that amount can be made. Address SECOMB & CO., PITTSBURGH, PA.; BOSTON, MASS., or ST. LOUIS, MO.

CAUTION.—Beware of all Agents selling Machines under the same name as ours, unless they can show a certificate of agency signed by us. We shall not hold ourselves responsible for worthless Machines sold by other parties, and shall prosecute all parties either selling or using Machines under this name to the full extent of the law, unless such Machines were obtained from us or our Agents. CARD.

SOUTHERN LIFE INSURANCE CO.
TO THE PEOPLE OF NORTH CAROLINA.

AT the request of General Jno. B. Gordon, President Atlanta Department, I have come to your State to bring prominently before you the claims and merits of the Southern Life Insurance Company. It is under the control of as honorable and as responsible men as there are in the land. It is managed in the most prudent and economical manner and will deal justly and fairly with all.

We have no war to make upon other Insurance Companies, but we do wish to impress upon the people the importance of *keeping their money at home*. By careful calculation it is estimated that a sum of not less than *twelve millions* (annually) is sent from the South, to the North for Life Insurance and unless checked will surely prove suicidal to our interests. We ask you to consider how greatly the material interest of this section would be benefitted by the retention of these enormous sums in our midst.

We send no money away to enrich foreign capitalists but every dollar of premium (less expenses) IS INVESTED IN THE STATE FROM WHICH IT IS DERIVED.

This department of the Company has operated both in Georgia and South Carolina, and has done an unprecedentedly large business. Many of the most prominent gentlemen in these States are identified with its interest. Its Board of Directors embrace the names of the ablest financiers, and most successful business men in the South. They are the Trustees of the sacred fund of the widow and orphan. Will you not trust your friends and neighbors; or is it more secure in the hands of a ranger? We appeal to you to assist us in pushing forward this deservedly popular and reliable Southern corporation. Its solvency is unsurpassed by any Company doing business in the United States. Its ratio of assets to liabilities *the only true test of a Company's strength*, fully sustaining this statement.—We would respectfully call attention to the Board of Directors and Stockholders, published in another column, and to our Board of References in this State and others.

CITY AND STATE ITEMS.

MONDAY, APRIL 11, 1870.

—Thos. N. Ramsay, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

Where's the Billy?—We understand there is a "billy" and a "star" missing, somewhere about town, which the owner would like to recover. Who has them?

Friends of Temperance, take notice, that a full attendance at the regular meeting of Oak City Council, to-night, is earnestly requested, as matters of importance will be considered and decided.

Give the Name.—"Miss L. R. B." is informed that it is a universal rule among newspaper publishers to require the real name of their correspondents before publishing their communications. This is necessary, in order to know who to fall back on in case explanations are demanded, besides, it is but due the publisher that he should know who his correspondents are.

Sage Legions.—A lady has called our attention to the fact that some mischievous, heartless person or persons, have been guilty of plucking the flowers and destroying the shrubbery and plants in some of the enclosures of the City Cemetery. We also observed a few days ago, that some thoughtless persons have been in the habit of scribbling on, and otherwise defacing, the tombs and head stones of the graves.

All this is very reprehensible and wicked, and those who are in the habit of indulging in such heartless conduct are reminded that there is a fine of twenty dollars imposed by a city ordinance on any one who shall be convicted of the acts alluded to above.

We hope persons living in the neighborhood will keep a watch and try to detect those guilty of these vile tricks.

The Hook and Ladder Company.—We omitted to mention, in our notice of the burning of Mr. Bledsoe's mill and gin house, in our Saturday's issue, that the Hook and Ladder Company were out promptly and nearly reached the fire, when their truck gave way and stopped them.—The omission gives us an opportunity of devoting an entire paragraph to noticing the fact that the Hooks and Ladders were not only out on this occasion, but that they are always on time in case of fire, especially at the last alarm, when the Dry kiln of Messrs. Betts, Vaughn and Allen was burned, and there was no accident to the truck.

We look upon the Hook and Ladder Company as one of the most efficient and reliable organizations on which the city would have to rely in case of fire, and would by no means give them the cold shoulder because we have a newer institution; in case of fire they would mutually aid each other.

There will be a special meeting of Rescue Steam Fire Engine Company, No 1, at their room, in rear of Mr. Prempert's saloon, on Monday evening, 11th inst, at 7½ o'clock. A full meeting is desired. New members are requested to come prepared to order their uniform. By order.

JNO. C. GORMAN, Secretary.

The storehouse of J. C. Conrad, near Shallowford in Yadkin county, was broken into on the 25th ult., and robbed of $75 in money and some goods; so says the *Western Sentinel*.

We see by the Warrenton *Gazette* that the young men's Thespian Association of that town is giving a series of pleasant entertainments.

Why don't the young men of Raleigh follow suit?

Payment of Insurance.—The following acknowledgement of the receipt of the full amount of an insurance policy issued to Mr. D. J. Ramsay, of Beaufort, is another evidence of the propriety of making that sort of provision for the protection of one's family in case of death. The Ætna has paid to the representatives of various families in this State, within the last three years, one hundred and fifty-three thousand dollars:

Beaufort, N. C., March 28th, 1870.

Mr. C. Lowenberg, Local Agent for "Ætna" Life Ins. Co., Hartford, Con.

Sir:—Through W. H. Crow, General Agent, Raleigh, N. C., I have to acknowledge the receipt of $10,000.00 for Policy No. 36 606, held by Mr. David J. Ramsay, deceased, in the Ætna Company, and with pleasure recommend you to the community at large as an efficient Agent, as well as your excellent company for their prompt payment of claims against them.

Yours respectfully,
WM. B. DUNCAN, Adm'r.
of D. J. Ramsay, dec'd.

From Pitt County—Committee to Investigate Frauds.—The committee appointed some weeks ago, by the citizens of Pitt in meeting regardless of party, to investigate the financial operations of the county authorities, met by appointment to report last Saturday at Greenville, but reported that they had been able to make very little progress, owing to the fact that the county commissioners denied them access to the books and public records until Friday last, and they had only been able to ascertain that the most extravagant bills had been allowed, and no showing made of the license tax from merchants, distillers, retailers, &c.

The committee has now entered upon a thorough investigation, and will report at an early day.—*Tarboro Carolinian.*

"An Acknowledged Institution."—"*Brown's Bronchial Troches*," are among the acknowledged institutions of the land. What would our ministers, our lecturers, our lawyers, do without these invaluable Troches? To what an amount of "ahems" and coughs and throat clearings would we be all subjected, were it not for those all-powerful and soothing lozenges? We have tried them, and they did us good."—New York Waverley.

TO THE CITIZENS OF RALEIGH.

Having been appointed a Committee to solicit contributions for the purpose of paying for and equipping the Steam Fire Engine, (Rescue No. 1,) and finding it impossible to see all who desire to give, we adopt this method of making known our necessities.

We need money to pay for and to equip the engine. We have a complete organization. Cisterns are to be placed at suitable points by the city authorities!

We appeal to the property holders to aid us according to their fire risk because the rates of Insurance will be reduced if our plan is sustained.

We appeal to those who have nothing exposed to the risk of fire because the perfecting of the Fire Department is a progressive movement which will benefit the city.

We appeal to the ladies because the encouragement and the smiles of the fair are necessary to the establishment and the maintenance of an efficient Fire Department!

Citizens of Raleigh, one and all, give us in proportion to your means and we shall be able to protect your property from the devouring element, fire.

Contributions will be received by any of the undersigned.

How to be Agreeable in a Printing Office.—We commend the following to the careful and prayerful consideration of all persons having a laudable desire to render themselves subjects of pleasant memories to editors and printers of newspapers:

Reader, if you want to make yourself very agreeable in a printing office step into the sanctum first.

If the editor is writing or proof-reading, take a seat along side of him, and tell him how you started in business, about your dog, your horse, your wife and baby, or if you can remember, your boyhood sports.—Should the editor manifest a disposition to be inattentive to your story stick to it and go through with it. Should one of the compositors of the devil, step up and ask for "copy," whether the proof is read or if done, you should by all means ask what the article is about and insist on seeing it. Of course the editor will read the article for you, and profit by your opinion as to its fitness to go into the columns of the paper. After thus entertaining the editor, step into the composing room and ask each one of the hands as many questions as to the cases, letters, &c., as may be agreeable to your will. Then begin to whistle. All printers are fond of whistling Give them at least three or four jigs. Then sing "Shoo fly," and "Up in a balloon." Before leaving the office you should take hold of the hand-press give it a pull and let it fly back, just to see how it works. Don't forget to squirt tobacco juice on the "devil's" feet, or to examine every thing in the shape of matter on the stone, even if you knock some of it into pi; that will only put the patience of the printer to a fair test. On leaving the office be sure to promise another visit at an early day and our word for it you will be held in "fond remembrance" for a long time.

Large Sale of Horace Greeley.—In the Circuit Court at White Plains, Westchester county, a suit was recently decided, in which Horace Greeley figued as plaintiff against one Moses Dudley Bean, who, as was charged, had contrived to defraud the former out of $6,000. It appears that during the year 1866 the defendant protrayed a glowing picture of African colonization to Mr. Greeley, the scene whereof was laid in North Carolina, and, to effect this much desired end, Bean informed the "philosopher" that a company, with a capital stock of $500,000, had been formed for the purpose of acquiring such rich and fertile lands as were requisite for the success of the philanthropic undertaking. The plaintiff, on these representations, advanced the sum above named on the assurance that it was a profitable investment, but subsequently ascertained that the acres indicated were apart and parcel of the Dismal Swamp. After a short deliberation the jury rendered a verdict for the plaintiff of $7,775. As the defendant is said to have availed himself of the bankrupt act, the damages will doubtless remain in *statu quo*.

Newspaper Statements

HOW THE PEOPLE TEST THEIR TRUTH.

This is not an age when people believe or trust whatever they see in the public journals. Fifty or fifty years ago when the accuracy of a statement that had appeared in one of the gazettes or "News Letters" of the day, was questioned, it was considered a sufficient answer to all cavil to say, "it must be so, for I read it in the newspaper." It is not so now. Newspaper assertions must be verified before they are taken for granted, and this is especially the case as regards statements setting forth the remedial properties of proprietary medicines. For example: it was not until the tonic and alterative properties of Hostetter's Stomach Bitters had been deliberately and thoroughly tested by thousands, and found to be in perfect accord with the printed claims put forth in its behalf, that it was accepted by the public at large as a *Standard Remedy*. But when multitudes who had resorted to it as a safeguard against malarious fevers, a cure for indigestion and biliousness, a means of strengthening the frame, cheering the spirits and imparting constitutional vigor, came forward and testified that its beneficial effects had exceeded their most sanguine expectations, *of course* the world believed. To resist such proofs was impossible. Great care has been taken from the begining not to *overstate* the merits of the Bitters. Exaggeration and bombast have been the death of many preparations that might otherwise have survived. They were "weighed in the balance and found wanting." Hostetter's Bitters, on the contrary, have never been announced in grandiloquent language as a cure for every bodily ill, but simply as a pure harmless vegetable specific possessing remarkable invigorating, regulating, anti-bilious and antiseptic properties. This is exactly what the public know the medicine to be, and its enormous sales is an argument in its favor.

To Sceptics.

The almost daily receipt of voluntary testimonials from every part of the country, from Physicians, Clergymen, old and young, male and female, is sufficient to convince the most sceptical that DR. TUTT'S EXPECTORANT is the most valuable LUNG BALSAM of the age; many wonderful cures have been performed by it, as may be seen by hundreds of certifics on in the hands of the proprietor. Try it and you will doubt no longer.

ap 9 eod1w

For the Sentinel.

Mr. Editor:—Having seen an article in your paper under the enquiry "What it cost," and believing the case is left open before the public for criticism, I therefore hope you will allow me to make some explanations, so as to inform the public in what way the cost alluded to did accrue, which I propose to do by itemising:

1. Magistrates fees for issue,	40
2. For trial,	30
3 Judgment,	25
4. Summons for Jury,	25
	$140
Constable's cost executing summons,	60
" attendance on trial,	50
" summoning 6 jurors at 30 cts each	180
" Commission on cost and principal,	30
6 jurors at 25 cts each,	150
	$610
The principal claimed in the case alluded to is,	650
Total,	$12 60

From the above statistics the public will be fully informed on the subject of "what it costs" and thereby no censure can rest on any one individual.

Respectfully,
J. P. ADAMS.

Remarks.—We didn't say that the officers took more cost in the case than the law allows, but we say that under the new system the law allows so much that the people can't stand it. It is oppressive and ruinous, especially on the poor.

Saturday Evening Dispatches.

WASHINGTON.

Washington, April 9.—The proceedings before Judge Chase as understood by lawyers, restrains Judge Underwood's processes for contempt in cases already before him, but allows legal proceedings in other cases.

Judge Chase will be present on May 1st to hear the case, whether Judge Pond be confirmed or not.

Based on Science, Prepared with Skill,

COMBINING IN CONCENTRATED FORM THE MOST

Valuable Vegetable Juices

PURIFYING THE BLOOD,

Tone to the Stomach,

And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing in last on the battle field, his companions enraged on and left him alone. They knew the cause of his approaching end it was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day as rapidly sinking, and as surely tottering on to an untimely end, in suffering, Agony, Wretchedness, and

Ignorance of the cause which

Science can arrest and assuage.

Nourish into new Life and Vigor,

And cause the Bloom of Health

To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unaware, and before they are aware of its attack, plants itself firmly in the system, and through neglect or inattention becomes

Grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The withered face—the shallow complexion
The feeble voice—the sunken, glassy eye?
The emaciated form—the trembling frame?
The treacherous pimple—the tortuning sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough colorless skin?

and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phases, viz: the

FANGS OF DISEASE

AND

HEREDITARY TAINT

ARE FIRMLY FIXED IN THE

FOUNTAIN OF LIFE—THE BLOOD.

The

INDISCRIMINATE VACCINATION

during the late war, with diseased Lymph has

TAINTED THE BEST BLOOD

in the entire land. It has planted the germ of the most melancholy disease in the veins of men, women and children on all sides, and nothing short of

A HEROIC REMEDY

will Eradicate it root and branch, forever. Such a Remedy is

HENRY'S

RENOVATOR.

On reaching the Stomach, it assimilates at once with the food and liquids therein, and from the moment it passes into the Blood, it attacks disease at its fountain head, in its germ and maturity, and dissipates it through the avenues of the organs with unerring certainty, and secures

NEW AND PURE BLOOD SOUNDING THROUGH EVERY ARTERY AND VEIN.

The tubercules of Scrofula that sometimes flourish and steal the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts nourished into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy secretion, and their natural functions restored to renewed health and activity.

Its action upon the blood, fluids of the body, and Glandular System, are

TONIC, PURIFYING AND DISINFECTANT,

Thousands have been rescued from the the verge of the grave by its timely use.

This remedy is now offered to the public with the most solemn assurance of its intrinsic medicinal virtues, and powerful Healing properties.

Do not Insure Your Life

UNTIL YOU ASCERTAIN FROM

P. F. PESCUD,

General Agent for North Carolina,

WHY THE

National Life Insurance Company,

OF THE

UNITED STATES OF AMERICA

can, and does issue a larger Policy for less money than any other Company, represented in North Carolina.

The National was organized in August 1868. She has issued nearly

10,000 POLICIES,

HAS A CASH CAPITAL OF

$1,000,000,

which was all paid in before a Policy was issued and which has already increased, fifty per cent. All the losses reported to her Jan'y last amounted to but $40,000, and as a further evidence of the great care observed in the selection of risks, 934 applications amounting to nearly $5,000,000, were rejected last year. Therefore a solid basis and inducements that none but Stock Companies can afford, is enjoyed by all who prefer the National to Mutual or mixed Companies.

ALL LIABILITY FOR LOSSES IS AVOIDED.

Every man who has a family, should try to create an Estate for their support, when he is taken from them by death—and a very small annuity spent for a Policy secures a larger amount of Cash Assetts, and is far more certain, than the same amount will secure in any other investment, and a more tender expression of love and responsibility could not in any other way be more beautifully expressed.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PURCHASES IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

DE SOTO MUTUAL LIFE INSURANCE

COMPANY,

OF ST. LOUIS, MISSOURI.

JAMES P. LUCAS, President.

CAPITAL STOCK, (PAID UP,) $150,000.00!

Stockholders bound for Double the Amount of Stock!

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, James H. Lucas, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

Pianos for Sale! Pianos for Sale.

MR. WILLIAM H. VAUGHAN, WELL known in our community as a Musician and Piano Tuner, is now appointed Agent for those splendid, Seven Octave, fine Rose Wood Pianos, built by C. M. Tremaine & Bro. These Pianos will be warranted for six years, and Mr. Vaughan is here ready to keep the instrument in perfect tune, if it should need it. He has at this time one of the Pianos at his residence, on Cabarrus Street, a little East of the N. C. R. R. Depot and would be glad to show it to any one who will call to see it.

These instruments took the premium at the Virginia State Fair, and without doubt are the best and cheapest instruments in the North or South.

Old Pianos taken in exchange for new ones, at a fair price. As I am confident that I can sell cheaper than anybody else, I beg of my own people in the State to give me a call before purchasing elsewhere.

Piano tuning and Repairing done at shortest notice. Can make an old Piano as good almost as new, for a very low sum.
